Follow Up Process

Our mission is to provide the highest level of service and care after the sale. We want to ensure a perfect fit and a successful experience.

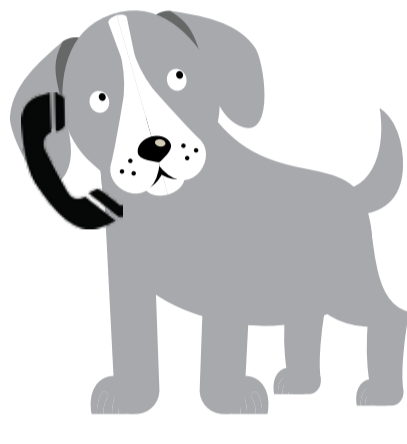

Let's Get Started

STEP 1

Inquiry

Is your pet a good candidate for a wheelchair?

- Your dog has experienced loss of mobility
- Lots of life, loves to be active
- We'll help you determine whether your pet needs a rear, front, or full support wheelchair

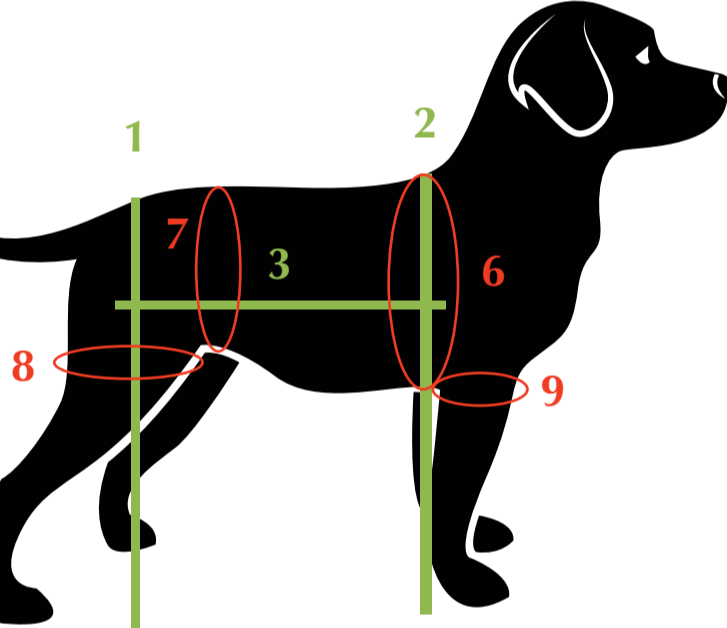

STEP 2

Measure

We build each wheelchair to your dog's specifications in order to ensure the perfect fit for your furry friend.

Using our handy [measuring guide](#) helps us ensure a guaranteed fit

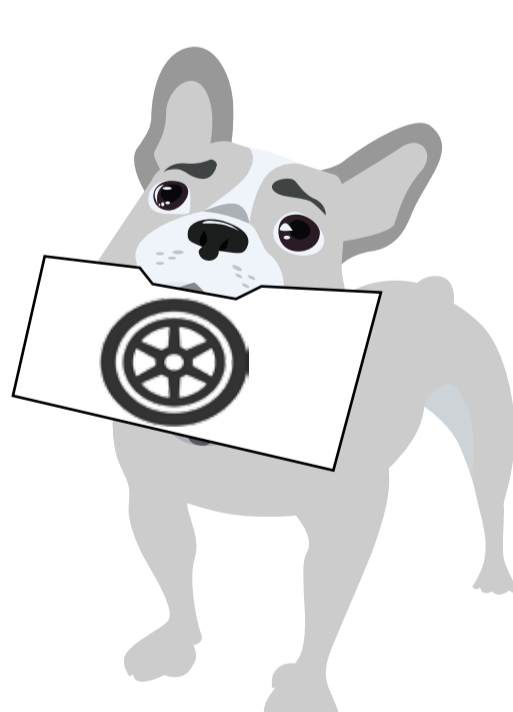

STEP 3

Design, build & ship

Hand-built, one at a time.

- Made in the U.S.A.
- Highest quality standards and materials
- The Goal - Lightweight, durable, and comfortable wheelchair that is a great fit and properly balanced
- Ships to you & your pet
